this amazing movie!

Australian Director Baz Luhrmann has spent close to three years making a Hollywood movie about Elvis Presley! Elvis was shot in Queensland and in the US with the support of the Presley estate.

Austin Butler is Elvis Presley and Tom Hanks Manager Colonel Tom Parker. "The life of Elvis Presley could not be a better canvas in which to explore America in the '50s, the '60s and the '70s," said Luhrmann. "That 42 years [until his death in 1977] is three great lives put into a short period of time."

Reminisce in the wonderful music of Elvis Presley and the era!
